## PINE CREST SCHOOL

FORT LAUDERDALE, FLORIDA

**P**INE CREST SCHOOL is pleased to announce the appointment of Jay Fitzgerald as the new Head Coach of the Pine Crest Swimming Team. Coach Fitzgerald becomes the seventh coach in the school's sixty-one year history to lead the program's interscholastic teams and the national-level training group.

Coach Fitzgerald brings to Pine Crest an international level of experience in training swimmers. During the past 10 years he directed the Santa Clara Swim Club back to its current level of one of the top five teams in the United States. Santa Clara swimmers have been a dominant force in United States Swimming under Coach Fitzgerald's training programs.

Prior to coaching at Santa Clara, Jay Fitzgerald was the Head Coach at the Cincinnati Pepsi Marlins, placing three swimmers on the 1984 Olympic Team. He also has served as an assistant to legendary coaches Don Gambriel of the University of Alabama

Coach Jay Fitzgerald

and Paul Bergen at the Nashville Aquatic Club. Coach Fitzgerald's international coaching experience includes: Assistant Coach of the 1995 U.S. Pan American Team, Head Manager of the 1993 USA National Team Distance Camp, Head Coach of the 1991 World University Games Team, Head Coach of the 1989 USA National Team-European Tour, and Assistant Coach of the 1982 USA World Championship Team.

Coach Fitzgerald has a master's degree from the University of Alabama and a bachelor's degree from Virginia Commonwealth University. He and his family will live on campus where the school's 50 meter and 25 yard pools are located.

**rule with an iron fist.**

Use of the fistglove™ stroke trainer gives you the ability to:

- correct the crooked elbow motion
- increase stroke length
- encourage a stronger, more efficient stroke
- enhance the feel of the water

*"Having a great feel for the water is fundamental to optimal performance and you'll never experience a better feel than when you train with the fistglove™ stroke trainer. The plain fact is that all my swimmers who used the fistglove™ this season improved their times significantly. This is true regardless of age and ability. Those who didn't use the fistglove™ didn't improve nearly as much. Some day soon every swimmer will have a towel, a suit, a cap, a pair of goggles, and the fistglove™ stroke trainer."*
