Turn Any Pool into an Endless Lap! The Stationary Swimmer

The Stationary Swimmer belt has been designed for a swimmer to swim stationary laps in small sized pools. The belt gives the swimmer a suspended, free flowing feeling, while allowing full motion of swimming. The Stationary Swimmer is engineered from a combination of Neoprene and nylon cushion foam with an easy on/off velcro enclosure. Constructed on the belt are two locking retractable reels, each wound with a ten foot combination of nylon / elastic cord (for flexibility.) The adjustable cords fit any size pool or jacuzzi.

Great for swimmers of all levels
 For information or order Please Call
