The Catholic League Swimming Coaches would like to extend their special thanks to the following, each of whose contribution has meant so much this year:

Raymond J. Mountain, of Archbishop Wood High School, whose talent and generosity has provided us with covers for the Relay Carnival, the Ribbon Meet, and now, the Individual Championship Meet.

The President and Board of Trustees of LaSalle College, Philadelphia, for making Kirk Pool available to us today.

The officials, judges, referees, timers, clerks, and statisticians, who labor quietly and usually without thanks, but who keep us going.

Our swimmers, from whom, in teaching and coaching, we have learned so much.

Our spectators - parents and friends - who put up with our coaches and swimmers all year. Theirs is a labor of love in all ways.

Vince Prendergast, Jack Richardson, and PJK naturally whose contributions have, in their style, been behind-the-scenes and often unappreciated, and all the more valuable for it.
