PCL CODE OF HONOR AND ETHICS CONDUCT AND BEHAVIOR. For the last 4 years, the male Wood coach was the oddball with hair spiked, colored, initialed. So when he walked on deck looking neat and proper like all the other coaches sporting the new 2003 PCL swim champs coaches shirt, sure 100% compliance. Until the awards presentations. The culprit, a standout Ryan senior girl swimmer who won 2 tough individual events, IM & back, and was on 2 winning relays. That added up to 4 times PCL champion and 4 times All Catholic 1st team, totaling 8 honors. Her performances in the water were strong and smooth with all eyes on her. You would think that much admirable attention would satisfy any athlete. So why did she elect to mount the victory podium dressed as a clown, debasing the ceremonial awards presentations. Wearing that comic costume OK on Halloween, but not when receiving the highest honors at Catholic League swimming championships, an event truly worthy of respect and dignity.
